

Pininfarina is at the 5th place among Italian architecture and design companies

Further affirmation of the Architecture Sector following the recent international awards

Turin, September 30 2016 – Pininfarina is at the **5th place** in the **Top 50 Architecture companies** operating in **Italy** among the most prestigious signatures of the Italian architecture as Renzo Piano and Antonio Citterio. The rank is included in **the 2016 Report on Entrepreneurship of the Project**, edited by prof. Aldo Norsa.

This result follows the recent international awards assigned to the Pininfarina architectural project: the **2016 International Architecture Award** assigned to **Istanbul New Airport ATC Tower**, the **2016 iF Award** assigned to the residential tower **Cyrela by Pininfarina** rising in Sao Paulo, the **2015 American Architecture Award** to **Vitra**, luxury skyscraper in Balneario Camboriu.

Pininfarina Extra operates since many years in the sector and among the over 600 projects, the most recent in the Architecture and Interior Design regard Turkey (the Istanbul New Airport Air Traffic Control Tower), Poland (A class office complex in Warsaw), United States (the 1100 Millecento luxury apartment building in Miami and the luxury Beachwalk development in Hallandale Beach, Florida, the Virginia Key Harbour & Marine Center in Miami), Argentina (nautic complexes Tifon Baigorria in Rosario and Tifon Tigre in Buenos Aires), Brazil (Cyrela, luxury condo in Sao Paulo, and Vitra and Yacht House, luxury skyscrapers in Balneario Camboriu). In Italy, following the great success of the Juventus Stadium in Turin, which was awarded the Innovation Award Stadium, the company has designed the Terrazza Martini, built in the Italian Pavilion at EXPO 2015 in Milan. Pininfarina Home Design is the most recent project, an innovative vision for the Home Spaces, combining Pininfarina heritage in furniture design with the unique architectural style.
